

# CHRIST-CENTERED LIVING

## PATH TO IMPACT

### CHANGE WE WANT TO SEE

More people will hear and embrace salvation through a personal relationship with Jesus Christ

More people will reorient their lives around Christ and flourish in their communities

More Christians will impact their environment as an outgrowth of their faith

### WHAT WE FUND

#### OUR PRIORITIES

#### GOSPEL RECEIVED

Increasing opportunities for evangelism; sharing the Christian message with all

#### GOSPEL LEARNED

Increasing opportunities for Christians to engage in discipleship and for all to benefit from Christ-centered programs and services

#### GOSPEL LIVED

Increasing coordinated opportunities to mobilize Christians to help meet community needs

#### EXPECTED OUTCOMES

More opportunities for all residents to hear the Christian gospel message

More discipleship opportunities for Christians to learn and grow in their faith  
More opportunities for all residents to gain skills and abilities needed to flourish through Christ-centered programs and services

More opportunities for Christians to live out their faith through giving and service to others

More residents are receiving the Christian gospel message for the first time or as part of a recommitment

More Christians are engaged in discipleship activities to strengthen their faith  
Through Christ-centered programs and services, more residents are developing skills and abilities needed to flourish

More Christians are demonstrating their faith through giving and service  
More residents are working together to address common issues and needs in their communities
