

EARLY LEARNING

PATH TO IMPACT

CHANGE
WE WANT
TO SEE

More children arrive at kindergarten
ready to learn

More third graders will meet or exceed grade
level benchmarks for school success

WHAT WE
FUND

OUR PRIORITIES

FAMILY ENGAGEMENT

Helping families understand the importance of early learning and equipping them with best practice parenting tools

PROVIDER EFFECTIVENESS

Equipping early learning providers with the tools to create high quality learning settings

AFFORDABLE HIGH QUALITY ENROLLMENT

Providing scholarship resources towards efforts to make high quality learning environments more accessible to families

ACADEMIC SUPPORTS

Funding programs by non-school community partners focused on narrowing the learning gap among elementary school students

EXPECTED OUTCOMES

More parents/caregivers understand the importance of early childhood development and are equipped with best practice parenting tools.

More teachers/educators are equipped with effective instruction, classroom environment, child interaction, and parent/caregiver engagement best practices.

Increased affordable availability of high quality childcare, especially for those at risk of not meeting developmental and educational milestones.

More intentional, coordinated, and best practice opportunities exist outside of schools to support academic success for at-risk K-3 students

More parents/caregivers are providing a level of care and interaction with their child that supports optimal development and learning.

More providers deliver effective instruction and high quality class room environments/interactions.

More children, especially at-risk children, are receiving high quality care and education.

More students K-3 who are at risk of not meeting academic milestones demonstrate improved academic performance
